18. Any other comments

Please use this space to provide any information you feel may be of interest to us. For example, if there are any major changes in farming activity since last year, a simple explanation here may avoid the need for us to trouble you further.

19. Declaration

(Before signing this declaration, please check that the appropriate entries have been made on all pages.)

Once we have received your form we load the details onto our computer system where it is checked for anything unusual (e.g. complete change in activity from your previous return). Data is then processed by our Statisticians, combined with other returns and published as part of the results.

We know you will only continue returning forms if you are confident that we respect the confidential nature of the data you supply. Details of your return are not disclosed outside this division of the National Assembly for Wales except in accordance with the provisions of Section 3(2) of the Agricultural Statistics Act 1979.

I declare the information I have given in this return is correct and complete to the best of my knowledge and belief.
